**(4) Did you achieve the aims of your elective?**

Yes.  
My aims were to experience clinical dermatology and make professional contacts in Japan.

**(5) What can be changed to improve our elective programme?**

I have no recommendations because everything has been excellent.

**(6) Please feel free to add any further comments in the space provided below.**

I have thoroughly enjoyed my time at Jikei. All doctors and professors I have encountered have been overwhelmingly kind and helpful. I have had no negative experiences.  
The accommodation is first class and hospital is clean and efficient - something English hospital could learn from!  
I have experienced many things not available to me at home and had the opportunity to travel and see more of this beautiful country. I am grateful for this opportunity. Thank you.
